
NOTICE TO HALL EXHIBITORS
“THINGS THAT JUDGES LOOK FOR”

VEGETABLES AND FRUITS

Exact number of specimens that are called for in the premium list.

Uniformity - each specimen like every other in size, shape and color.

Quality - not too large, not too small, fine texture, etc.

Freedom from blemishes - no cuts, bruises, insect injury or disease.

Cleanliness - product washed or wiped, as one would prepare for market.

Stems preferred on most fruits and vegetables.

Each exhibitor is permitted only one entry per lot.

All agricultural items in displays and collections must be grown or produced by entrant.

CANNED GOODS

(To be processed - open kettle or hot water bath for fruits and tomatoes, pressure for vegetables and meats).

Products should be of the best quality, uniform in size, and of good color.

The liquid should be clear, free from sediment and proper amount in jar.

The container should be uniform, properly sealed and labeled.

JELLY

Clear, of good color and consistency.

The containers should be uniform, clean and labeled.

JAMS

Good color and consistency and properly sealed.

The containers should be uniform, clean and labeled.

BAKED GOODS

Properly wrapped, accompanied by recipe. If a package mix is used or a modification, so indicate.

Attractive, good color, texture and flavor.

CLOTHING AND HOME FURNISHINGS

Condition of article, suitability, construction and workmanship, design, color originality and ease of care.
